What is TAB?

TAB is whatever you want it to be! Share ideas for teen programs, discuss teen books, organize community service projects, and more. Meeting attendance will count as volunteer hours if you are registered in the library's Teen Volunteer Program. If you are passionate about making the library a place for teens, we would love you to join!

Who Can Join?

All high school students in grades 9-12 are welcome to join. You do not need to live or go to school in Trenton to join. While there is no formal process to join TAB, we encourage you to be consistent with your attendance at meetings.
